SHALIMAR

CONTRACT FR VELVET COLLECTION

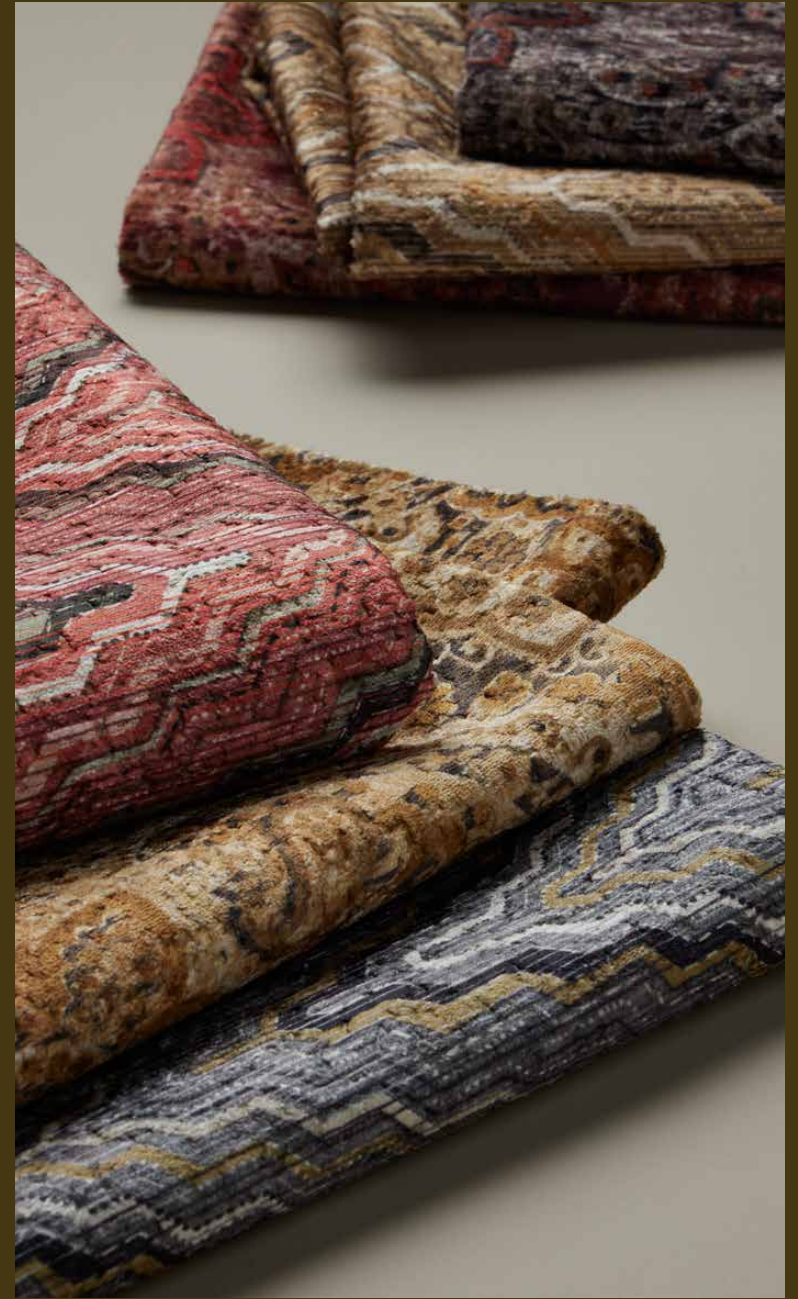

SHALIMAR

A majestic collection of structured jacquards, showcasing intricate patterns inspired by traditional tapestries, Shalimar is a luxurious choice for hospitality upholstery.

Ideal for prominent statement pieces or for accentuating accompanying plains, Shalimar's textured matte-bright finish exudes class and opulence.

With adventurous designs inspired by utopian nature, Shalimar is offered in both vivid jewel tones and rich, earthy colourways. These colours have been selected by our in-house design team to complement the widest ranges of our velvets and vinyls, including Enchant, Luxe, Allure and Aston, allowing designers to easily find matching fabrics for upholstery, curtains and accessories.
